Dear Melissa,

My husband and I would like to request an extension on our permit as it is taking longer then expected to finish our house. We are owner building and the summer was just too hot to work! we are now ready for our mechanical, electrical and plumbing inceptions as we are ready for insulation and drywall.

please give us a call if you have any questions.

Michele 860-237-1363
Rich 860-378-4520

937 NW Huntsville Church Dr
Lake City

permit:000042916

thank you very much,

Rich and Michele Ellis
