re: LEAR RESIDENCE FOUNDATION REVISION: 106 NW LIVE OAK PLACE, LAKE CITY, FL

A stemwall foundation per the attached details may be constructed in lieu of the monoslab foundation shown on the approved foundation plan.

In my professional opinion, the foundation meets the requirements of the 2020 Florida Building Code - Residential, 7th Edition. Please contact me at 307.680.1772 if you have any questions.

Respectfully,

Carol Chadwick, P.E.

Printed copies of this document are not considered signed and sealed and the signature must be verified on any electronic copies. This report is limited to field observations. The observations were cursory; no subsurface investigation was completed. Recommendations are based on these observations. Other conditions not visible at the surface may be present. I am unable to certify or guarantee no future deterioration, settlement or movement of the structure.
