RE: Loc ID #8100 – 561 NW Hackney Terrace

Regarding the above mentioned address, Water service is available for this location. Gas is also available, but will require the submission of a tap application to have the line re-established and the gas meter reset. There is no cost involved with this application.

Once the tap application has been submitted and lines re-established, both Gas and Water will be available for connection and usage.

If you have any further questions, please feel free to contact me at 386-719-5779.

Respectfully,

Brenda Mendoza
